July 2026

Dear Parent/Carer,

An Important Date for your Diary
SUPPORT AND SUCCEED, YEAR 11 PARENTS/CARERS INFORMATION EVENING
Wednesday 16th September 5.30pm-7.00pm in the School Hall

At Bexley Grammar School we aim for all students to achieve the best possible results in their external examinations in June 2027. Students often feel tremendous pressure during Year 11 and, as a school, we want to work with parents/carers to ensure that students feel as well supported as possible.

With this in mind, I would like to invite you to attend our forthcoming Support and Succeed Evening for Year 11 parents/carers on Wednesday 16th September. The evening will provide you with an overview of the time management and revision strategies your child should be adopting at home to successfully prepare for both the January mock exams and next year's GCSEs. The evening will help you to support your child with any possible exam induced stress. Leaders from the Mathematics, English, Science and Languages departments will provide you with the specific information you need to successfully support your child in these important core subjects that account for 8 of the 12 GCSEs your child will complete in 2027. We hope that all parents/carers invited will be able to attend this important evening. **Please note that this evening is for parents/carers - students are not to attend. Instead, please take time to discuss the evening at home. All students will receive extensive exam support and this information in school.**

I would be grateful if you would reply via the google form link [here](#), before Friday 4th September. Thank you for your continued support and I look forward to seeing you on the 16th September.

Yours sincerely

Mrs C L Howard
Director for Learning Key Stage 3 & 4
